Subject: Gold King Mine website for R3

Greetings:

A website has been created to keep all information related to the Gold King Mine Deployments in one single place. This website is only for Region 3 staff. As of now I've only uploaded:

1. the availability lists of OSCs and RSC members
2. a document developed by Region 8 regarding Site Specific Charging
3. R3 KLP trained staff

I will be adding additional documents with deployment information and any other relevant information that may become available.

Link to website: http://epaossc.org/site/doc_list.aspx?site_id=11122

Thanks,

Cindy E. Santiago
